

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to urge you to support the pending merger of EchoStar and HUGHES, the parent company of DIRECTV. Although I am not a DIRECTV customer, I believe the merger will increase video and broadband choices for consumers like me because the combined company will provide increased competition to cable companies.

The combined company will be a much stronger competitor to cable operators by being able to offer me local TV channels via satellite in my market area, which I currently do not receive.

Broadband access to the Internet is not available to me at this time. If the merger is approved, the new company will be able to provide me with affordable high-speed Internet access via satellite along with the other 40 million American households who do not have affordable high-speed Internet access now.

Please consider access to local channels via DIRECTV. The reason we do not subscribe to the satellite service is for that specific reason. Thank you for listening.

I appreciate your consideration of my views.

Sincerely,

courtney allen
